- ✦ Distributed clothing, shoes, blankets, and other supplies to children and families in Ngombe Compound, a highly populated impoverished neighborhood in Lusaka.
- ✦ Changed our name from the Kondwa Children's Foundation to the **Temwani Children's Foundation**.
- ✦ Reinvigorated our mission and objectives.

FROM THE BOARD OF DIRECTORS

We are proud to present to you the 2008 Annual Report. This document summarizes the projects undertaken during 2008 with the help of friends, donors, and volunteers. With your help, we have worked hard to improve the lives of children living in N'gombe Compound, one of the most impoverished areas of Lusaka, Zambia. In this region, children and their families are impacted every day by extreme poverty and HIV/AIDS. We are proud to be partnering with you to make a difference in their lives, one child at a time. Thank you for your commitment, your compassion, and your generosity!

We changed our name, but our mission remains the same!

MISSION

The Temwani Children's Foundation partners with schools, community organizations, and individuals in Zambia to improve the lives of children impacted by HIV/AIDS and extreme poverty.

OBJECTIVES

The Temwani Children's Foundation partners with proven Zambian organizations to:

1. Ensure the wellbeing of orphans and vulnerable children in Zambia through nutrition, quality education, psycho-social support, and other material goods;
2. Infuse energy, enthusiasm, and monetary assistance into successful, innovative, local projects;
3. Provide training opportunities to Zambian teachers and students;
4. Facilitate long-term economic stability for children and their communities;
5. Educate others about the conditions of orphans in Zambia; and
6. Create connections between Zambian communities and partners around the globe.

The Temwani Children's Foundation embraces these and other Millennium Development Goals that have been developed by the global community as targets for holistic and sustainable development for the impoverished.

2008 Holiday Angel Project

Thanks to the generosity of TCF partners, more than 115 children received gifts this year as part of the 2008 Holiday Angel Gift Project! Over 50 individual donors from across the United States and Canada joined together to share gifts of holiday spirit with children in Zambia. All of the children attending the Kondwa Day Center received gifts of new pants, shirts, socks, crayons, school supplies, and toothbrushes. In addition, the children at the Little Assisi School for children with disabilities received toys, school supplies, and other needed items.

—Shared gifts with all ten teachers at the Kondwa Day Center for Orphans

The Kachele Primary School Project

Many guardians of the children attending the Kondwa Day Center for Orphans are unable to afford the \$100+ yearly costs of primary school education in Zambia. The Temwani Children's Foundation has committed to raising the funds to help construct a new primary school that will provide free and continual care for the Kondwa Day Center graduates through the 7th grade. The school is called "Kachele," named after a local fig tree. Like the shade provided by the fig tree, the new school will to provide ongoing nurturance and care to the orphans of N'gombe compound. Funds raised in 2006 -2008 were dispersed for the building of the Kachele Primary School in November of 2008, and construction began early in 2009 on the first block of classrooms. Children will be entering the first and second grade classrooms beginning in January 2010. The grand opening party is scheduled for Spring 2010!

2008 Primary School Highlights:

- Provided \$16,500 to fund the construction of the first three classrooms
- Raised \$5,000 for school feeding program through World Food Day Dinners
- Raised \$3,000 for Kachele teacher salaries
- Raised more than \$10,000 to help fund bathrooms for boys and girls

Braille Printer Project

Every year, TCF sponsors projects that facilitate long term economic stability for HIV/AIDS-affected communities. This year we launched a campaign to raise funds for the purchase of a Braille printer for HAITA (HIV/AIDS Infor-Tech Africa), an NGO organization dedicated to providing quality dissemination of HIV/AIDS material in Braille for the visually impaired. Rose Tayali, HAITA's Executive Director, will double the efforts of the organization with the new printer and will provide HIV/AIDS information to more than 100 students. Her volunteers are trained in Braille through special education programs in the schools throughout Lusaka. In 2008, we raised more than \$4,200 through several efforts (monthly E-Update, a wedding gift registry, and a grant from the Tides Foundation). The campaign continues in 2009.

HAITA translates pamphlets on HIV/AIDS prevention and treatment into Braille and distributes the Braille pamphlets to schools for visually-impaired children in Zambia. TCF will help them reach more than 100 students in 2009!

Public Outreach and Education

The Temwani Children's Foundation organizes public presentations, educational curriculum, media kits, and a website to share information with the public about a variety of issues facing children in Zambia, including: poverty, nutrition, and HIV. We would love to present to your professional, religious, charitable, or educational organization! Please contact us at info@temwani.org!

In 2008, the Temwani Children's Foundation gave the following educational lectures:

- Grinnell United Methodist Church, IA
- World Food Day Dinner, San Diego CA
- Oak Grove Baptist Church, Birmingham AL
- Cocktails and Blankets Party, Tucson AZ
- World Food Day Dinner, Des Moines, IA
- House Party, Flagstaff AZ

We Changed Our Name!

On January 1, 2009, the Kondwa Children's Foundation became the Temwani Children's Foundation. This change was intended to minimize confusion between our US-based organization and one of the schools we support in Zambia – the Kondwa Day Centre for Orphans. We chose our new name because "Temwani" means love and happiness in several Zambian languages. Temwani embodies our mission and our profound wish that every child we serve will feel loved and happy. Changing our name took a significant amount of time and we appreciate your continued support and patience during this transition.

TEMWANI

Telling the stories of
Everyday Zambian children left
Motherless, fatherless, or
Without homes due to AIDS.
Assisting Zambian communities in
Need, with love, happiness, hope and
Inspiration through food, education and psychosocial support.

SPOTLIGHT ON VOLUNTEERS

LAUREEN AYERS and her students at the Huron Centennial School in Canada raised a significant amount of money for the Holiday Angel Project this year- more than \$1,000! Laureen has been an active volunteer for TCF for the last several years, and took part in our 2007 volunteer trip to Zambia. THANK YOU LAUREEN and the students of Huron Centennial!

Zikomo (with gratitude)!!!
